

Antioch School District 34 School Lunch Account Procedures 2019-20

District 34's lunch account is a debit style system in our point of sale Nutrikids. Each child receives a lunch "Debit Card" which is kept in the cafeteria. The Nutrikids Manager keeps all records of purchases, with a daily running balance in their computer.

Money must be placed on the student's lunch card before a meal can be purchased. Parents can make a credit card payment through your student's account at www.antioch34.com through your PowerSchool parent account. Deposits can also be made by cash/check to the schools. Money can be sent in an envelope to your student's school: please print your student's first and last name and teacher's name on the envelope.

A student with a negative balance of -\$15.00 may be unable to charge any lunch or milk to their account. Printed notifications and emails will be sent home weekly for low or negative lunch balances. Phone calls will be made weekly with high negative balances. Send in a cold lunch with drink for your student until a payment can be made. **Please monitor your student's lunch account and make sure they do not go negative.**

- Daily Lunch (includes milk) \$2.95 Daily Milk Only \$0.35
- Weekly Lunch (includes milk) \$14.75 Weekly Milk Only \$1.75
- Monthly Lunch (includes milk) \$59.00 Monthly Milk Only \$7.00

- Reduced Lunch (includes milk) \$0.40 daily; \$2.00 weekly

Applications for free and reduced lunch are available in the school office or on our D34 website under parent forms. Eligibility for free and reduced benefits must be established each school year by filling out a household income eligibility application and fee waiver form. **If your student is on free or reduced lunch, they must take the entire lunch. If they purchase milk only, this is at the cost of \$0.35 to your family.**

Any funds remaining at the end of the school year are rolled over into the student's lunch account for the upcoming year. **We do not want negative lunch balances to roll over to the next school year.** Please send in money to pay any outstanding balances.

For 8th grade graduates or students that are not returning to the District, parents or guardians must request that any leftover funds be transferred to a sibling or be refunded. Using the form below, check reimbursements must be \$10.00 or more to be refunded.

Please contact your student's Nutrikids Manager at their school with any questions.
