

To put money on your child's lunch card or to pay other school fees, you will need to login to your PowerSchool Parent Account **not your child's account**. If you have not created a PowerSchool Parent Account, please contact your child's school to obtain the Access ID and Access Password needed for linking your child to the parent account. You will not be able to use your child's account because the student fees will not be listed.

Once you have created a login, please log into the PowerSchool Parent Portal.

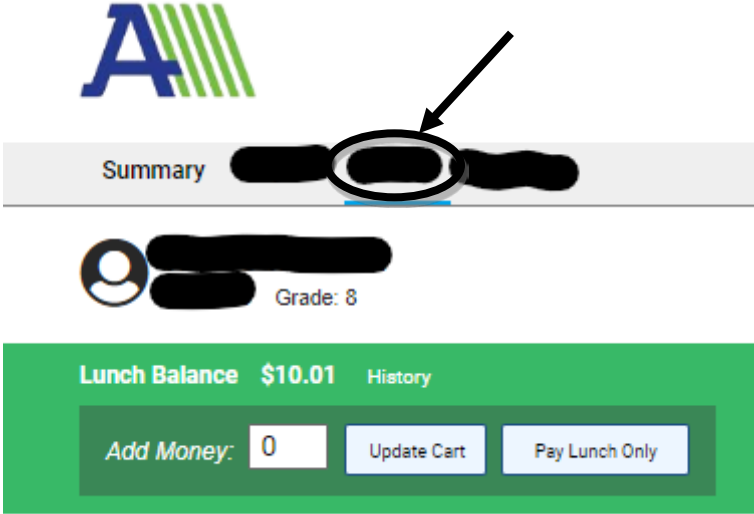

Once you have logged into PowerSchool, you will then be on the home page.

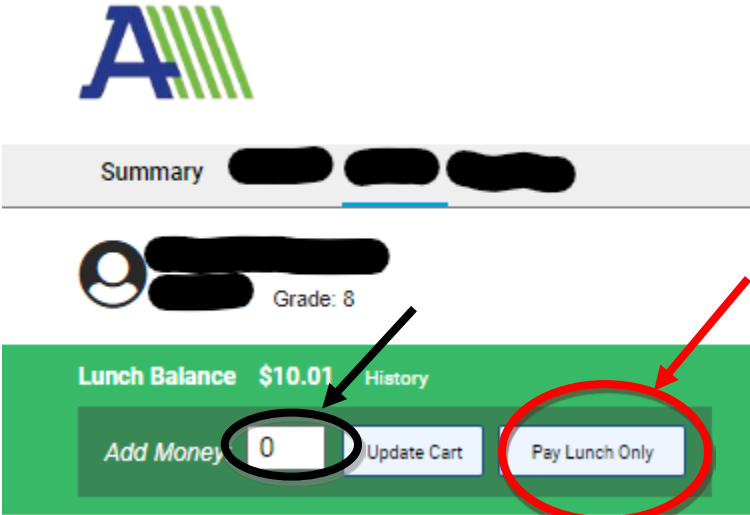

From there select Student Fees on the left hand side of the screen.

After you select student fees, the Rycor website will be launched, probably in a different window. Once there, select your child's tab at the top.

Please add a dollar amount in the box next to “Add Money” and then click on Pay Lunch Card Only.

After this you should be directed to the checkout page where you can place your credit information. Once that is completed, please click on Submit Payment and you should then receive your confirmation number.

 Return

Total Amount  
**\$0.10**

#### Payment Options

If you are unable to make a full payment at this time, you can make a partial payment or join a payment plan.
