

BUS TRANSPORTATION GUIDELINES

The following guidelines apply to student transportation and assigned bus stops.

1. Transportation is only provided within the school's attendance area.
2. Students are allowed only one route and bus stop to and from school.
3. Students are assigned a specific stop and route. They must use this stop on a daily basis.
4. Students must depart buses at their assigned stops on a consistent five (5) day a week basis.
5. Pick up / drop off stops may be different on one route, but each must be on a continuing five (5) days basis and must be within your students school boundaries.
6. If your student is picked up / dropped off at a day care center / caregiver, that day care center/caregiver, must be located within the boundaries of the school in which the student attends.
7. Drivers will be instructed not to allow students to ride any bus other than their assigned bus, except for emergency purposes. If an emergency occurs, a note must be provided to the driver, which has been approved and stamped by the school office.
8. We will not be able to make bus changes to accommodate, birthday parties, scout meetings, play dates, school projects, doctor/dental appointments, etc.
