

The 3 sessions scheduled this year were...	Parent	Teacher	Support Staff	Other	Admin	Community
Not Enough (3.5)	0.5	1	2			
Just Right (7.5)	1.5	2	1	1	1	1
Too Many						
Comment:						
3 would have been enough - losing 1 made it not enough.	x					
Somewhere in between I felt like we did more absorbing and less contributing this year.	x					
4 would be the right amount		x				
We went to 3 meetings this year but we lost a meeting to severe weather and never rescheduled.						
Not enough only because we missed one due to extreme cold.						

1.5 hours for each session was...	Parent	Teacher	Support Staff	Other	Admin	Community
Not Enough Time						
Just Right (11)	2	3	3	1	1	1
Too Much Time						

The timing (spacing, the months selected) of the workshops was...	Parent	Teacher	Support Staff	Other	Admin	Community
Too Spread Out (3)	1	1				1
Just Right (8)	1	2	3	1	1	
Too Close Together						
Comment:						
Felt like could add one more session to add more collaborative time.	x					
Would be spaced well if we had 4.		x				

These were the things I really liked about this year's District Leadership Team that should be continued into next year:						
I enjoyed seeing the changes & progress first hand.	x					
Lots of information. Nice to get some of the tours and see facilities.	x					
Hearing from non 34 staff (village helps, high school, etc).		x				
Short ice breakers.		x				
Getting to know other stakeholders.		x				
Keeping us updated on all the current changes and progress of school changes.				x		
Broad representation of staff and parents.				x		

Learning from the presentations.					x		
The variety of topics covered. Don't get hung up on a few topics.						x	
Updates on the D34 progress.							x

These are suggested changes for next year's District Leadership Team workshops:

More time for collaboration like in past years. Invite staff in to help talk about topics. It's nice to hear from different levels. Consider adding students to portions?	x						
To collaborate on solutions, and not just ask questions or hear information but actually be a leadership team of stakeholders.							x
Name tags/titles.							x
Consider starting a little earlier maybe 1/2 hour.							x
Fewer topics to allow for questions/answer.							x
Maybe a little earlier in the evening.							x
How can we effectively communicate the information to others besides word of mouth?							x

Next year, these are the topics/agenda items that would be most helpful (please be specific regarding content).

Improving time for communication, including timing and new ways to communicate. Staff considerations of retention/recruitment.	x						
(1) Safety (2) AUGS/AES vision - bring equity to these spaces (3) can we look into research supporting lower class sizes. Gurnee 50 (Woodland) just made this change. Can we follow suit?							x
How is the K-5 structure affecting students & staff.							x
Support staff professional development.							x
Late starts for snow/weather issues.							x
Curriculum updated. Tech updates. Strategic Plan development.							x
How successful are D34 initiatives?							x

Provide any other comments that will help us improve the District Leadership Team in the future:

More collaboration.	x

2020-2024 Strategic Plan - focus on developmentally appropriate practice, changing student needs (lower executive functioning/social/emotional skills) and serving the whole student.		x				
Always a good idea to be cognizant of how to continue to support our most important asset; <u>teachers</u> .		x				
Include reps from Lindenhurst/Lake Villa Village or Township leaders.			x			
Getting tours of the construction was insightful and great!				x		
Communicate the outcomes of the new K-5 Structure.					x
