

CLASS NEWS

An Update From Our Classroom

Week of 3/18- 3/22

Reading

This week we completed week 4 in Unit 4. We discussed why it's important to learn about our country's past. We read 2 texts about the history of the American flag. The kids were interested to learn that the flag has changed many times since our country began. We worked on identifying nonfiction text features in the texts as well. This week we worked on diphthongs ou and ow. Our word wall words this week were again how, both, soon, and read.

Writing

This week we worked in our writing notebooks and reviewed some writing samples to help us determine if we should keep or change the writing goal we set for themselves. We also did some fun bunny writing!

Math

We started Module 5 this week. We learned time to the hour and half hour. The trickiest part is where the hour hand goes at time to the half hour. We also worked on place value this week with 3-digit numbers.

Science

We went on a light source hunt this week around the school! The kids enjoyed taking pictures of light sources...we found some fun ones!

Notes from Room 403:

- We are in need of extra snacks. Also, please have your child bring a water bottle daily.
- Please work on shoe-tying with your child if needed.
- Please remind your child that toys, Pokemon cards, and stuffed animals stay at home.
