

MRS. C.'S CHRONICLES

FIRE PREVENTION WEEK

The Great Chicago Fire & Fire Presentation

The students will be able to use their knowledge to make connections to fire prevention and safety during fire safety week. We will have firefighters coming to W.C. Petty to discuss fire safety and the various pieces of equipment that are used for helping others. I am excited for the students to discuss fire safety and see safety equipment and make these important connections.

Speeches

Speeches have been started this week. The students will present next week Wednesday – Friday. If you can help your child finish up their slides and/ or check in with them next week Monday and Tuesday, it would be greatly appreciated. Each child has chosen their speech day and have written this in their planner. This is a “fun” speech to start the school year with, and it will not be graded.

Please ask your child about:

- Among the Hidden, What significant detail did we read about this week? Why did Luke almost fall off of the trunk?
- Our online Data Notebook. The goals set and Khan academy progress.

Halloween Party

Please consider: If you would like to help with the Halloween party next month, please let me know. I would appreciate if a parent would take the lead on the planning and prep for this fun celebration with the students.

Thank you!

Assignments

Please continue to check on your child's reading log. Each student is responsible for completing the reading log and submitting that online by Friday. I still have many students not completing the reading log.

Picture Retakes

Picture day retakes will be on October 24th. If someone was absent or forgot to send money for pictures, you still have a chance to order pictures. New order forms should be sent home closer to the retake day.

Thank you!

Important Dates:

- 9/27 Kids Night Out
- 10/2 Petty Bobcat Booster Mtg 6-7
- 10/7 Culver's Scoopie Night
- 10/14 No School, Christopher Columbus

9/27/19
