

MRS. C.'S CHRONICLES

OUR LEARNING COMMUNITY

Pet Turkey Home

Your child will be making a class pet next week in class, a turkey. The students will be encouraged to make a home for their pet turkey, and they are welcome to make this turkey house over the weekend. If they want to get a jumpstart on the home, they can construct one out of various materials like cardboard, a shoe box, Legos, and/or various building materials found at home. This is a fun, creative activity that will incorporate writing through your child's turkey's perspective. Each child will be journaling what the turkey has seen and done throughout the day and night using first person point of view. The students will have a turkey diary/journal that will chronicle their turkey adventures. If someone can't make a turkey house, please don't worry because our pet turkeys can visit with neighbor friends during the day and sleep over at night. ☺

Thank you!

Conferences

Conference confirmation forms were sent home today. Please indicate if you are able to keep this conference time and send this note back to school on Monday. If you did not receive a conference form, I do not have a conference scheduled for you.

Thank You!

Student-Led Conferences

Please know that conferences are student-led this year. Each child will need to be present at conference during the conference time.

Thank you!

Thank you

Thank you to those parents that donated food or water for our Halloween party. I also want to thank those parents that helped out with the activities.

Thank you!

Picture Retakes

Picture day retakes will be on November 19th. If someone was absent or forgot to send money for pictures, you still have a chance to order pictures. New order forms should be sent home closer to the retake day.

Thank you!

Important Dates:

- 11/18th and 20th- Student-Led Conference
- 11/19 Picture Retakes

11/8/19
