

# MRS. C.'S CHRONICLES

## OUR LEARNING COMMUNITY

### Student-Led Conferences

Conference confirmation forms were sent home last week. Please have your child present at their conference since they will be discussing the progress they are making, end of the year goals, areas of improvement and areas of strength that have been identified on NWEA data at the beginning of the year, and personal and emotional goals set. Each student should be actively updating their Data Notebook every week/ every day.

**Reminder** – Please be on time for your conference. Our class has a heavy conference schedule that is back to back on Monday. If it is your conference timeslot and the conference before you is not finished, please politely knock on the door to remind us.

Thank you!

**Growth Goals-** Please make sure your child eats a healthy breakfast, has a snack each day, gets enough sleep throughout the night, and actively engages in metacognitive discussions at home and in their everyday life. If we are able to achieve our goals in class by the end of the year, 90% of the class has hit their target growth goals in reading and math (outlined by NWEA as necessary growth), the class will have a whole class party at the end of the year.

Thank you!

#### Pet Turkeys

Our pet turkeys look great!! The kids are having fun interacting with them and chronicling their adventures this week. I am excited to see their journals next week.

Thank you!

#### Cold Weather

Cold weather is here. All children will need to have snow bibs and boots in order to play in the snow at recess. If a student happens to forget their coat, gloves or hat, I will use my discretion to assess whether or not they should stay in at recess. This only ensures their safety and well-being.

#### Picture Retakes

Picture day retakes will be on November 19th. If someone was absent or forgot to send money for pictures, you still have a chance to order pictures. New order forms should be sent home closer to the retake day.

Thank you!
